## **Synopsis**

While visiting Mr. Whittaker at Whit's Soda Shoppe, Beth and Patrick find a mysterious letter in the Imagination Station requesting a Viking sunstone. The letter is old and says that someone named Albert will be imprisoned if the sunstone isn't found. Mr. Whittaker sends cousins Patrick and Beth to Greenland circa 1000. On their quest for the sunstone, the cousins meet Vikings Erik the Red and Leif Eriksson and find the sunstone as they join Leif on his first voyage to North America. But the adventure is just beginning, for when they return to Mr. Whittaker's workshop with the sunstone, there is another note waiting for them, requesting a silver goblet. Join Patrick and Beth as they continue their travel to various lands and time in the Imagination Station book series.

Mr Whitaker has done it again! For years he has been tinkering on the Imagination Station and sharing it with kids of all ages in his Ice Cream Shop Whit's End! Now kids 7 and Up can take a ride on The Imagination Station since a series for younger kids has been released, starting with "Voyage With The Vikings" and "Attack At The Arena". Written for early readers, ages 7 and up, the new series features the virtual reality device, the Imagination Station, which is one of the major plot devices used in the Adventures in Odyssey radio series. Nobody knows the inner workings of the

mysterious device, invented by Odyssey's Mr. Whittaker, but with a push of a button, it launches users back in time to experience historical events in-person. In this new series of books Patrick and his cousin Beth go on a series of trips into the past where they learn about history, who Eric the Red was, have props that only Whit knows they need and have to find an artifact to bring home with them. In Voyage of the Vikings your kids will learn about the Vikings, how they lived, what their society was like and more. Beth and Patrick then meet a monk named Telemachus in Attack in the Arena, roam through Roman History and meet a Roman Emperor. You will receive a Family Devotional with this book which is a great way to get kid's thinking about Rome's purpose in the spread of the gospel. There are family activities and a parents page included with each book in the series too! Each of The Imagination Station books are \$4.99 and could easily be added to your homeschool, church or school library at a great price! Other books coming out are: Revenge Of The Red Knight (15th Century England & the Crusades) and Peril In the Palace (China & Kublai Khan).
