Strategic Business Tax Planning, Second Edition

Synopsis

Strategic Business Tax Planning, Second Edition is the definitive handbook on business tax planning, skipping the unnecessary and minute taxation details and focusing instead on the big picture in taxes. Organized around business processes, this reader-friendly guide shows you how to optimally put tax management principles to work in your business.

Customer Reviews

ok book.

This was a strong introductory resource that explained the benefits of different organizational structures. Much of the information regarding the structuring and timing of transactions can be applied to personal finance and aid you in making smarter financial decisions.
