# From Bitter To Worse (Loose End Love Stories Book 7)

## Synopsis

Claire Patrick plans to fire her husband, Deneil, as in divorce him. If she doesnâ™t, sheâ™ll very likely kill him. With the discovery of Deneilâ™s dirty deed, plus the secret sheâ™s shielding from him, Claire thinks she has encountered all she can endure. But trials and tribulations arenâ™t done with her yet. When she loses something she really needs, Claireâ™s frustration skyrockets and she takes her anger out on her husband. But is it possible that what she considers a loss might just be an opportunity to mend her marriage? This is a novella about secondary characters from the book, "Scandal in the Sanctuary." Nevertheless, this work can be read independently.
