Synopsis

Richard Mayhew is a young man with a good heart and an ordinary life, which is changed forever when he stops to help a girl he finds bleeding on a London sidewalk. His small act of kindness propels him into a world he never dreamed existed. There are people who fall through the cracks, and Richard has become one of them. And he must learn to survive in this city of shadows and darkness, monsters and saints, murderers and angels, if he is ever to return to the London that he knew."A fantastic story that is both the stuff of dreams and nightmares" (San Diego Union-Tribune), Neil Gaiman's first solo novel has become a touchstone of urban fantasy, and a perennial favorite of readers everywhere.

Customer Reviews

Neverwhere, Neil GaimanWhat an amazingly creative story Gaiman has written! A product of a profoundly gifted imagination, it will captivate readers who enjoy a bit of fantasy, a bit of science fiction. There are anthropomorphic creatures, monsters, and angels. There are characters whose names are symbolic of their special talent as in Lord Portico and his offspring, Door. There is pure evil as in Mr. Croup and his sidekick, Vandemar. Even the seemingly good characters have a touch of the âœbadâ• in them. There is a fabulous character named Hunter, and she is aptly named. There is even an angel, Islington. The story seems to take place neither in the past, nor the present, nor the future. There are dreams and nightmares which exist in a time that seems outside of time. The locale seems to be around London, in Great Britain, but not a London we would recognize. Some of the characters live above in the world, and some live down under, below the world, in the

underground. Richard Mayhew is a retiring young man engaged to a woman of a much stronger personality. One evening, he is on the way to a dinner with her boss when he finds a wounded young woman lying on the street. Against the wishes of Jessica, his fiancÃ©e, he abandons her and blows off the dinner, instead carrying the injured woman home to his apartment, hoping to help her. This sets an entire adventure into motion, and it will take the reader on a journey that will constantly twist and turn with tension and humor, lightness and gravity. The young womanâ™s name is Lady Door. Her family has recently been murdered by evil people. Door wants to find out who they are and avenge the brutal and senseless murders. Because Richard helped her, he has inexplicably become involved in her quest.
