"Kirkus Reviews "a fantastic book that has enchanted me" "Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"" "Customer Review "Written in a very simple way but with a profound message for both adults and kids." "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves" "whatever their size." Customer Reviews

The illustration is doing a great job but a little disappointed for the way they do the translation. It didn't have Pinyin system to assist you to read. I am the native speaker so I can read. The translation is a bit off.

The story and pictures are great, very imaginative. My son loves to look at it. However, though this book was advertised as being in traditional Mandarin, a few simplified characters have slipped in. It's a bit sloppy on the part of the translator or editor. The book would be great as a board book for younger children but this one is a softcover and easily bent.

No surprises was as advertised.
