Customer Reviews

Lori St. Kitts demystifies the oh so scary world of taxes and with her clear and helpful descriptions, helps make it not so scary. Her nonjudgemental tone and familiarity with the particularities of the sex work industry makes her a must read for any sex worker trying to get a handle on not just her taxes but her business. She reminds us that we are business owners, a refreshing perspective in a world full of stigma. To that end, her advice is useful and well written for any business owner in any industry, not just the adult industry. She covers every angle and provides great advice for finding

professionals and further information. She even gives advice on *gasp* talking to the IRS (which, apparently, is not as bad as it sounds.) Helpful and even, and this is a high compliment for a book about taxes, fun to read. Reading this book feels like getting advice from a SUPER knowledgeable friend, not a boring tax manual.

Lori has been my tax preparer for many years, and is a trove of useful advice for small business owners like myself who hate accounting and dealing with nitty-gritty details of money management. I highly recommend her, and if you're a sex worker and want to hire a tax preparer to get your own financial life in order, you couldn't find better!

Not just for sex workers! I found this book to be incredibly helpful for my small business, although it is clearly geared for those in the adult entertainment industry, but is not tawdry and is quite professional.

So nice to have this resource. Very easy to read, easy to understand, she breaks it down, very matter-of-fact, quick to read.

Excellent book. Will prove to be very rewarding and helpful!
