Customer Reviews

I love language learning kits, but they are sometimes hard to slog through. This one, however, is more fun than you'd imagine it could be. Every section has basic dialogs, but also has games, songs, and fun things to listen to on the CD/cassettes. There is even an on-going novella throughout the book. In addition, there are interesting little tidbits on Italian culture, proverbs, and tips on traveling in Italy. In other words, each section has lots of activities and variety. On the whole, the most fun you can have while still learning!
