Nakama 1 Audio CD Program (Japanese Edition)

Synopsis

This proficiency-oriented introductory Japanese program emphasizes practical communication, the development of all four language skills, student interaction, and cultural awareness. Nakama 1 consists of 12 chapters, and Nakama 2 consists of a review chapter, plus 10 additional chapters. Both volumes feature thematically organized chapters that focus on high-frequency communicative situations and introduce students to the Japanese language and its three writing systems: hiragana, katakana, and kanji.

Customer Reviews

This is a Seven Audio CD set. (Teacher's version) The study guide for Makino Hatasa Japanese 1 comes with a single audio CD. The student's version audio is available on-line at several University websites. (You have to look for them.) Make sure you have a purpose for taking Japanese, not just curiosity. It is a hard class. You will learn to read and write Japanese, (along with vocalizations). My son is doing well in this class. The learning curve is way up there.

Everything I was expecting and more. I originally purchased this after I lost my companion CD that came with the book. Easy to navigate through the chapters.
