## **Customer Reviews**

Alana's story is truly amazing. When she comes back to the community her life completely changed. Watching the changes in her life will have you on the edge of your seat waiting to see what happens next. The characters in this story are all very special people. You will feel God working throughout this whole book. This book deserves a higher rating than a five star review.

Book 4 of a very sweet series. As always, I really enjoyed this book.

I really like the way the book talked of the life style of the Amish and the ending was not like reading half of a book a lot of Amish books makes me wondering how it ended

This was a very good book. I'm glad that Alana was able to get to know her dead sister's baby girl. She also found that two brothers were vying for her attention.
