L'Ã©cume Des Jours Audio Livre 1CD MP3 (French Edition)

Synopsis

Une histoire d'amour drôle ou grinçante composée par un écrivain de vingt-six ans. Un conte de l'époque de la découverte du jazz et de la science-fiction, à la fois comique et tragique, féroce et déchirant. Et un livre culte depuis plus de quarante ans..Musicien et interprète, Arthur H, par cette lecture, rend un superbe hommage à celui qui, comme lui, aimait passionnément le jazz.BONUS : la vidéo de l'enregistrement de L'Écume des jours et une interview du lecteur, Arthur H.

Customer Reviews

Boris Vian was born in Ville d'Avery in 1920 and spent much of his brief life haunting the jazz clubs of Paris. As a surrealist, he was closely associated with writers such as Queneau and Bataille, but he also knew Sartre and Simone de Beauvoir. As the translator of Van Vogt, he played a major part in rekindling French interest in science-fiction. He achieved instant notoriety with the publication of "J'Irai Cracher Sur Vos Tombes" in 1947, a book which was confiscated by the police and which formed the basis of the much-maligned film "I Spit on your Graves".Published in the same year, "L'Écume des Jours" -- or as published in English, "Froth on the Daydream" -- marked the beginning of a radical departure in Vian's career. Superficially a love story exploring the hopes and foibles of untroubled youth, it manages to combine the fantastic, the grotesque and the poignant in a matchless blend. The result is a book which has survived the test of time so well that it seems even more appropriate now than when it was written.The opening scene shows Colin in his bathroom, carefully trimming his eyelids with a pair of nail-clippers. He lives in an ideal world where mechanical

gadgets perform the mundane tasks and where all the best cooks swear by Freud (Clement rather than Sigmund). This utopian paradise is described with an endearing naivety, rendered all the more charming by the improbable characters who float through it, sometimes literally. Colin's friends, Chick and Lisa, are disciples of the philosopher Jean Pulse Heartre, whose lectures they attend with passionate zeal. When Colin meets a girl named Chloe and decides to marry her, he is so ecstatic that he gives away a quarter of his fortune to Chick and Lisa so that they may also get married.
