Customer Reviews

Really well done. Words and pictures make new vocabulary easy to remember. If you want to build your vocabulary of common, basic words this book will help. Keep in mind that Russian pronunciation is difficult at best, even when accompanied by a reasonable phonetic equivalent (as these cards are).

Wonderful eBook! It is an easy read and informative as well. As a Homeschooling mom, you can never have too many book variety for your kids to choose from.

could it be better if it has more information like , greetings, adjectives, and not just household items not for me..
