Majedaar Kahaaniyaan, Collection Of Stories (Hindi For Children)

Synopsis

In this collection of stories I have compiled four of my previously published books; Bhaloo ka ghar Janamdin Mubaarak Rakshas ke dost Jungle ki Sair. The stories are arranged in an increasing order of complexity in terms of language, the amount of text, concepts and also illustrations. All the above books are also available for individual purchase. I have created this Hindi learning series for children of Indian origin who are growing up in other countries. These books are easy to read and connect to their lifestyle. I have used simple language and themes that are relevant to children. This book has stories that are based on the familiar stories that are changed to make them more relevant to today's world. The language and the themes of these books are suitable for children from two to eight years old. These are bilingual books written in both Hindi and English. The books are written in Hindi transliterated into English script, so children who can read English phonetically can easily read these by themselves.
